Prep for CPR / O2 Combined Annual refresher course

In order to be properly prepared to take the combined Perform CPR (refresher) course (HLTCPR211A) and Administer Oxygen in an Emergency Situation course (SRXEMR003A), you need to ensure that you have completed the following preparation **before** the course date:

- 1) Have a current Statement of Attainment for HLTA311A (or HLTA301C) – Apply First Aid (this may be called First Aid at Work or Senior First Aid, and can be issued by PADI's RTO, the Red Cross, Saint John's Ambulance, etc). Please bring a copy of your Statement with you. **Please check the date! It MUST have been issued within the past 3 years. If your First Aid is out of date, it must be re-done prior to the Oxygen course. If in doubt, please contact me first to make sure you are ready for the course.**
- 2) Have a current copy of any nationally recognized First Aid manual, and have reviewed it completely
- 3) If your manual does NOT contain the post-2010 revisions (DRSABCDs), you can download an update sheet from the RESOURCES section of the website (www.goprotownsville.com) or by following this direct link – <http://www.goprotownsville.com/resources/FAW/Errata.pdf>.
- 4) Have completed the Knowledge Review available from the RESOURCES section of the website (www.goprotownsville.com) or by following this direct link – <http://www.goprotownsville.com/resources/CPR/review.pdf>. (I will need to retain a copy for my records, so please bring a copy with you)
- 5) Have a copy of the PADI Emergency Oxygen Provider manual, and have read it completely
- 6) Have completed the Knowledge Reviews on page 43-45 (I will need to retain a copy for my records, so please bring a copy with you)
- 7) Have read the PADI Asia Pacific Administer Emergency Oxygen Student Notes available for download from the website in the RESOURCES section (www.goprotownsville.com) or by following this direct link – <http://www.goprotownsville.com/resources/O2/notes.pdf>

If you have any questions regarding pre-requisites, or the course in general, please contact me any time.

Cheers,
Andrew
